

**Employment Opportunity:**

<b>Job Title</b>	Aircraft Maintenance Engineer's & Avionics
<b>Location</b>	Rotational (7 on/7off) 12-hour shifts.
<b>Status</b>	Full-time
<b>Competition Start Date</b>	Immediate
<b>Work Locations</b>	Various

**Career Opportunity:**

If you are an Aircraft Maintenance Engineer and value an organization that promotes safety and a quality work life balance, then North Star Air would like to bring you to our organization and allow you to advance your career! North Star Air operates passenger and a dedicated cargo service with ATR 72-500, Basler DC3 Turbo Conversion, and PC-12 series aircraft. M1, M2 licensed AME's will be given preference.

**Opportunities:**

When positions are available, AMEs are given the opportunity to transfer bases if desired.

North Star Air also supports an Intern program for anyone interested in becoming an Aircraft Maintenance Engineer. All ages will be welcome with preference to candidates with mechanical background.

North Star Air promotes a fatigue management program for its staff.

**Competencies:**

- **Concern for Safety:** Identifying hazardous and potential hazards while taking appropriate action to maintain a safe environment for NSA staff.
- **Teamwork:** Able to collaboratively work with others to achieve organizational goals.
- **Customer Service:** Providing service excellence to internal and external customers.
- **Communication:** Listening and communication openly, honestly, and respectfully with diverse audiences.
- Be able to communicate effectively.
- Must be flexible and organized with the ability to respond quickly in a dynamic and fast-paced working environment.
- Must be able to work independently with minimal supervision and as part of a team.
- Positive attitude and willingness to learn.

**Qualifications:**

- Ability to obtain necessary airport security clearances, and successfully complete the company screening process.
- Must have M1 license.
- ATR experience an asset
- Ability to make timely and informed decisions in a high-pressure environment.
- Must hold a valid Canadian issued full driver's license.

---

### **Additional Requirements**

- Please note that applicants for these positions must have current status to work in Canada to be considered for this opportunity. While we appreciate all resumes received, we can only directly contact those applicants under consideration for interview.

All applicants, please send your email with resume to [employment@northstarair.ca](mailto:employment@northstarair.ca). Please type AME in the subject line and title of the email to distinguish it from the other emails.
