

JOIN OUR TEAM: GSE MECHANIC

Location - Thunder Bay, ON

Start Date - TBD

Application Deadline - TBD

Compensation - \$25-\$28/hr

Competition # - 2025-042

This position offers a challenging and dynamic work environment for a skilled mechanic responsible for troubleshooting, maintaining and repairing airport ground support equipment and vehicles. The ideal candidate will have a commitment to safety, attention to detail, and the ability to work efficiently in a fast-paced airport setting. The position requires a skilled professional with a strong background in heavy-duty diesel and automotive equipment maintenance.

➤ Key Responsibilities:

- Perform preventative maintenance and repairs on various airport vehicles and equipment
- Inspect, diagnose, and repair diesel engines, hydraulic, electric, and mechanical systems
- Transport vehicles to service facilities for repairs
- Obtain and install replacement parts as needed
- Complete and manage work orders
- Ensure safe operations in compliance with health, safety, and government regulations

➤ What We're Looking For :

- Minimum 3 years of related experience
- Knowledge of heavy-duty diesel/automotive equipment
- Experience in troubleshooting complex hydraulic and electrical systems
- Proficiency in using power and hand tools safely
- Ability to read and interpret technical documents and manuals
- Flexible work schedule, including nights, weekends, and holidays
- Physical ability to lift up to 50 lbs and perform various physical tasks
- Drivers license and clean driving record

- Ability to pass pre-employment testing, including background check and drug screening
- Strong communication skills, both verbal and written
- Basic mathematical skills and computer literacy
- Excellent organizational and time management skills
- Ability to work independently and as part of a team

Working Conditions

- Weekend work may be required
- Overtime as required
- Travel to bases as required
